Reason and Prerequisites

This information details the overall delivery strategy for Brazil Tax Reform legal change.

Solution

The References section of this SAP Note contains all relevant SAP Notes related to the Tax Reform solution.

Supported Releases and Maintenance Strategy: We support Tax Reform deliveries for all releases within the valid period of Mainstream Maintenance or equivalent Extended Maintenance at the time of SAP Note delivery. All SAP Notes related to Tax Reform deliveries are categorized as "Legal Change."

Special Conditions: Customers with special conditions, such as Extended Maintenance or Cloud Safekeeper, if no specific SAP Note is released for your release, then contact SAP for further details. You can create a Case in the same component of the relevant SAP Note to contact SAP. If your solution release is under Extended Maintenance, only customers with this maintenance status have access to the Tax Reform solutions. For further details on Extended Maintenance or Cloud Safekeeper check SAP Note 52505.

For maintenance and incident handling in the context of Tax Reform, please check SAP Note 3563053.

We highly recommend you to use the **Note Analyzer** to simplify and enhance the analysis and processing of SAP Notes. This tool offers a more user-friendly and scalable approach for implementing groups of SAP Notes. For detailed implementation instructions, refer to SAP Note 3200109. You can use the attached XML file in the context of the Brazil Logistics Tax Reform.
